

eStatements

Go Green!

Receiving your statements online isn't just a great way to help the environment--it also cuts down on clutter, helps you get organized and reduces the risk of identity theft. And, it's totally free.

Features

- You'll receive an email notification when your monthly statement is available
- View your statements securely
- Store your statements electronically in PDF format
- Access up to 30 months of past statements
- Print your statements whenever necessary

Here's an overview of the benefits of going green:

Benefits for you

- Tired of clutter on your home desk or kitchen counter? eStatements are a quick way to reduce clutter. The average household receives approximately 19 statements and bills each month.*
- Improve security. Consumers receiving electronic statements can maintain tighter control over accounts in real time. Even today, almost 85% of identity theft cases are related to "offline" transactions such as lost checkbooks and stolen bills, statements, and check payments.*

Benefits for the environment

If everyone changes just a little, big changes can occur. Did you know that by switching to electronic bills, statements, and payments, every year the average household can:*

- Save 6 pounds of paper
- Save 23 pounds of wood
- Prevent the production of 29 pounds of greenhouse gases, which is the equivalent of:
 - The emissions avoided by not driving 30 miles
 - The emissions avoided by not consuming 2 gallons of gasoline
 - Planting 0.4 tree seedlings and allowing them to grow for 10 years
